*Get Payback*

Buying a Robot Coupe vegetable preparation machine is an investment that will show you a quick return in both saved labour and savings on pre-prepped produce.

In addition, while you are saving money in the kitchen you will be improving the quality and consistency of your end product.

Robot Coupe vegetable preparation machines can slice, dice, chip, julienne, grate, ripple cut and even mash potatoes. Achieve consistent cuts every time, regardless of who is using the machine.

We have provided 2 illustrations to show you how quickly your new veg prep machine will pay for itself.

## Illustration 1 *Labour Cost Savings*

If you only save two hours per day on vegetable preparation, your machine will pay for itself in under 5 months\*.
