#### Article number

60.75.978

#### Description

Kit of 4 unpunched 1/6 GN portion baskets, lid and frame.

In à la carte service, small quantities can be optimally heated and kept warm in the portion baskets. The unpunched 1/6 GN portion basket with lid is ideal for heating and holding sauces, soups, casseroles or goulash.

In addition to the four portion baskets, the set also includes the lids and a portion basket frame which is placed directly on the pan edge.

The lids are optimally cut to fit the portion baskets and prevent the food from cooling and the products from forming a skin.

You can arrange the food separately in each portion basket.

The portion baskets come in size 1/6 GN.
