

STAINLESS STEEL SINK - DR380 FULLY WELDED

DIMENSIONS

This fully welded 1000mm wide sink from Holmes features a left hand bowl with right side drainer, and benefits from a 304 stainless steel construction. This makes it highly resistant to corrosion and staining, as well as smooth and easy to clean. Ideal for creating designated washing areas in your kitchen, the sink also features a strong undershelf for the additional storage of supplies and utensils.
