

# STAINLESS STEEL SINK - DR384 FULLY WELDED

## DIMENSIONS

This fully welded 1200mm wide sink from Holmes features a left side bowl with right side drainer, and is easy to assemble. The sink is made with 304 stainless steel, making it smooth, hygienic and easy to clean whilst offering high resistance to rust and staining. Ideal for use in commercial kitchens, the sink allows you to create practical and hygienic washing stations and features a strong undershelf for the additional storage of supplies and utensils.
