

Wall Site Multideck Segura Range

Product Description

The Frilixa Segura is ideal for sites where cafes and canteens are not manned all day so you need to keep food and drink secure. With a 5 tier display there is plenty of room to display sandwiches and drinks. When the cabinet is not in use the solid secure shutter can be rolled down and secured with a lock at each end keep your stock safe and secure. The added benefit of the solid shutter is additional energy saving as it gives even more insulation than a night blind. This unit is very popular in schools, colleges, leisure centres and hospital canteens etc.
