

FOOD CHUTE RANGE

VIZU 2 TIER FOOD CHUTE

- Provides high capacity for multiple products.
- Adjustable lane guides are highlighted by hidden, high intensity lights, whilst being enveloped in a warm blanket of hot air.
- The heat lamps are controlled by variable dimmer controls, and the heated lower deck is thermostatically controlled.
- Both decks are controlled independently from each other.
- Complete with lane listing strips and holder.
- Front and rear product lane labels with mounts
- Air baffles to reduce heat loss
- Top surface of the food chute is removable for easy cleaning
- Full stainless steel construction
- Adjustable feet to aid levelling machine
